

UNIVERSITY OF CALIFORNIA, RIVERSIDE

Student Learning Outcomes for the B.A. in Latin American Studies

Students completing the B.A. major will be able to:

1. garner a broad knowledge and understanding of the culture, language, politics, history, economic, arts, music, geography, societies, literature, and related topics about the region
2. apply the knowledge obtained in the different disciplines from the field to read, understand, and assess general Latin American information and issues
3. analyze specific problems related to Latin America from their particular chosen concentrations, and develop research and critical thinking in the area
